

This volume has been the successful outcome of the 1st *Konitsa Summer School in Anthropology, Ethnography and Comparative Folklore of the Balkans* that took place from July 30th to August 12th, 2006 in Konitsa, Greece. The structure of the book corresponds to the different academic dimensions of the whole event. Our emphasis on the students' participation, on providing them with the opportunity to express themselves and publish their work, reflects the priority we have given to the educational dimension of our task. We hope this edition to be a forum for academic dialogue concerning the anthropology of the Balkans.
